Department,Madras.

ASST. SECRETARY TO GOVERNMENT
8-JUN 1956
PUBLIC WORKS DEPARTMENT

Letter No.57947-J1/55-4 Dated 6.6.56.

Sir,

Roads of Economic and interstate importance South Kanara-Construction of bridges across the Rivers Pavanji-Mulki and Udayayar Inspection sheds at site providing furniture and Utensils.

...

The detailed estimates for construction of the three bridges referred to above have been sanctioned by Governmentof India and communicated in G.O.Nos. 1736 P.W. dated 3.5.55, 2050 P.W. dated 26.5.55, 2191 PW dated 3.6.55 respectively. These estimates include provisions for construction of temporary buildings like Store Shed, offices, Inspection sheds, etc near the Bridge sites. The provisions made for inspection sheds are as follows:-

1. At Pavanji Bridge Rs.3000/-
2. " Mulki Bridge Rs.3000/-
3. " Udavayar Bridge Rs.4000/-.

2. Allthe three bridge works are in progress. The Inspection shed at Pavanji has been completed. A private house has been taken on rent near Mulki Bridge site. Considering the magnitude and importance of these bridge works it is necessary for officers of the department like the Divisional Engineer and Superintending Engineer to frequently Inspect the works and guide the AssistantEngineer and Supervisors directly in charge of the work.

3. These inspection sheds cannot be of any use to officers on the spot and the Inspecting officers, unless they are provided with the minimum requirements of furniture and utensils. The Superintending Engineer (Highways) Cannanore has therefore sought permission for the purchase of furniture and utensils for each of these Inspection sheds. The provision of at least such minimum facilities to the officers in charge of the works is a dire necessity in the interest of the works and as such, the expenditure therefor is a legitimate charge on the work. The total cost of the articles required for the three Inspection sheds together is estimated to be Rs.1125/-.

4. I therefore request that Government of India may be addressed in the matter and their sanction may be obtained for purchase of the furniture and utensils at a total cost of Rs.1125/- and to debit the expenditure to the works concerned.

5. Pending orders of Government of India permission is requested for the purchase of these articles in anticipation of the sanction of Government of India. I also request that the Superintending Engineer (Highways) may be allowed to purchase the furniture locally in view of the urgency as the Jail authorities at Salem and Cannanore who were consulted by the Superintending Engineer have expressed the difficulty of supplying the furniture urgently. Hence the necessity for local purchase.

P.S. 6.6.56

DN 6.6.56. for Chief Engineer (Highways)

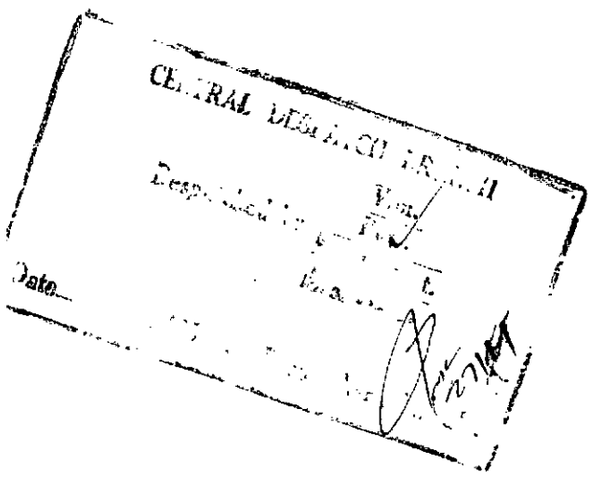
Letter No.3872-A/56-2 Dated: 27-6-56



To

The Secy. to the Govt. of India,
Ministry of Transport (Roads Wing),
Jamnagar House, Shahjehan Road,
New Delhi - 2.

Sir,

Sub: Construction of bridges across Pavanji, Mulki and Udayavar rivers (Job Nos E&I/MD/161, 176 and 181) - Inspection sheds - Provision of furniture and utensils.

...

I am directed to state that the detailed estimates technically approved by the Govt. of India for the three bridge works include provisions for construction of temporary buildings like store sheds, offices, inspection sheds, etc., near the bridge sites. The inspection shed at Pavanji has been completed. A private house has been taken on rent near the Mulki bridge site as it is considered more economical than constructing temporary sheds at the place for office, storing machinery, plants, etc. --vide also this Govt.'s letter No.3473-A/56-2 dated 8-6-56.

Vide para 1 p/4

Vide para 2 p/4

Not built up

The C.E.(H), Madras, has now reported that all the three bridge works are in progress. He considers that in view of the magnitude and importance of these three bridge works, it is necessary for the D.E. and the S.E. to inspect frequently the works and guide the A.E. and the Supervisors directly in charge of the works. He has pointed out that the inspection

para 2 p/4

para 3 p/4

sheds at the bridge sites cannot be of any use to the officers on the spot and the inspecting officers unless these sheds are provided with minimum furniture and utensils. The total cost of the articles required for the three bridges works is estimated at about Rs 1,125 and the expenditure on their purchase is a legitimate charge on the works.

In the circumstances I am to request that sanction may be accorded for the purchase of furniture and utensils for the three inspection sheds at a total cost of Rs 1,125 (Rupees one thousand, one hundred and twenty five) only and for debiting the expenditure to the estimates for the works concerned.

Yours faithfully,

Copy to the C.E.(H)

Note: Further action with reference to 'A' on page 2 c.f. may be taken on receipt of the reply of the Govt. of India.

Finance may see the case ~~after~~ before issue.

p5 of From the Govt. of India, letter No.WIV-49(7)55, dated 10-7-1956.

--:--

The proposal in this file relates to the purchase of furniture and utensils for use in the inspection sheds at the sites of the bridge~~s~~ ~~works~~ across the Pavanji, Mulki and Udayavar rivers in South Kanara district. The Govt. of India have approved the works of constructing these three bridges under the scheme for development of roads of economic or inter-State importance and agreed to give full grants for these bridge works. They have also accorded technical approval and financial sanction to the detailed estimates for the bridge works. These works are in progress.

para 2 p1 of

2. The Chief Engineer (Highways) has stated that in view of the magnitude and importance of these bridge works, it is necessary for the Divisional Engineer and the Superintending Engineer to inspect frequently the works and guide the Assistan Engineer and Supervisors directly in charge of the works. He has pointed out that the inspection sheds at the bridge sites cannot be of any use to the officers on the spot and the inspecting officers unless these sheds are provided with minimum furniture and utensils. The total cost of the articles required for the three bridge works is estimated at Rs.1,125/-.

para 3 p1 of

The

The Chief Engineer has requested that the Superintending Engineer (Highways) may be permitted to purchase the furniture locally in view of the urgency as the jail authorities at Salem and Cannanore, who were consulted by the Superintending Engineer, have expressed inability to supply them urgently.

3. The Govt. of India, who were addressed in the matter, have approved the purchase of furniture and utensils at a cost of Rs.1,125/- for use in the inspection sheds at the three bridge sites. They have stated that the expenditure involved may be met out of the contingencies in the estimate of the respective bridge works.

4. A copy of Govt. of India's letter referred to above may be communicated to the C.E.(H). In view of 'A' above, the Superintending Engineer may also be permitted to purchase the furniture locally. Home and Finance may see for remarks.
